Gender-related initiatives or programs held in 2022

In the course of the year 2022, the Ministry through the Gender and Child Labor office organized some gender-specific programs including;

1. Capacity building on gender and related matters for selected officers:
 - Twenty-three (23) officers were trained
2. Capacity building with community engagement for women miners in Kogi state:
 - Women numbering about 85 were trained to attain economic sustainable development. 20 of the labourers, were provided with light tools and personal protective equipment to protect their health and safety
3. Capacity building with community engagement for women miners in Ebonyi state:
 - Umuoghara Multipurpose Cooperative Society and Women in Mining Ebonyi State Chapter were trained
