Dear Colleague,

We write to notify you that you have been selected to serve as a member of the NEITI Civil Society Selection Committee.

In line with Articles D to L of the NEITI Civil Society Transitional Protocol, this three-member Committee will have the responsibility to

(i) conduct elections for a suitable candidate for the position of Civil Society Representative on the NEITI NSWG and (ii) conduct election and inauguration of the NEITI Civil Society Steering Committee (CSSC).

Please note that the work of the Selection Committee is non-remunerated.

This is, however, a serious assignment that will midwife the emergence of a credible, capable, and accountable civil society champion to lead multi-stakeholder engagement on behalf of civil society at the highest level of Nigeria's Extractive Industries Transparency Initiative (EITI) and within the global EITI process. To this end, it is expected that the principles of constituency self-selection, transparency, participation, and accountability will be reflected in every step of the selection process. Also, please note that the Selection Committee will stand dissolved on the eventual announcement and inauguration of the CSSC.

After a rigorous selection process, the NEITI Civil Society Guidelines Committee concluded that you possess the experience, competence, integrity, and independence required for this role. We trust that you will treat this assignment with the seriousness and urgency it deserves.

Please find attached some relevant materials for this assignment. Kindly reply to this email to confirm your availability and accept our congratulations!

Yours sincerely,

For: NEITI Civil Society Guidelines Committee
