Hi Anthony,

Hope you are doing well!!

We are checking the latest NEITI OGA 2022 and OGA 2023 reports for OML level oil production (as per the below screenshot which was reported in 2021) but we unable to find the Appendix 8 report in both the years 2022 and 2023. Can you please share this report or could you help us with sharing the link for the same.

Dear Mr. Lakshmi,

In furtherance to the directive from the Executive Secretary below, please find attached Appendix 6 (Production) of the 2019 Oil & Gas Report with the information on OMLs at page 22.

Do feel free to get back if you need further clarification or information as we encourage your work of providing data for several industry sectors and possible future investors.

Thank you.

Subject: Information Request

Hi,
I am an Analyst in Global Oil and Gas team at GlobalData, India. Our company is a leading provider of online database and analytic services to 5000 of the world's leading companies across key industry sectors. Our proprietary databases and wealth of expertise enable us to offer expert analysis and in-depth forecasts to our clients in several industry sectors like oil and gas, alternate energy, clean technology, nuclear technology, medical equipment, etc. To know more about our company, please visit our website www.globaldata.com.
We are currently checking the latest NEITI 2019 annual report for OML level oil production(as per the below screenshot which was reported in 2018) but we are unable to find the data. Can you please let us know if the 2019 appendices report is available in the website or could you help us with sharing the link for the same. The information you provide us is of immense importance for our study.
