The Executive Secretary,
Nigeria Extractive Industries Transparency Initiative,
NEITI House, Wuye,
Abuja.

Sir,

NOMINATION OF MS BILQIS AUDU AS ALTERNATE REPRESENTATION ON THE BOARD OF NEITI

In line with one of the Resolutions of the National Stakeholders Working Group (NSWG) of the Nigeria Extractive Industries Transparency Initiative (NEITI), especially with respect to alternate gender representation in NEITI Multi-Stakeholders engagement, the Board of Trustees of Miners Association of Nigeria hereby nominates and recommends Ms Bilqis Audu who is the leader of women advocacy group in the Association and heads the Office Operations at the Association's National Secretariat.

She holds a Master's Degree in Environmental Sciences as well as a Bachelor's Degree in Geology, among other professional and administrative qualifications.

A widely travelled professional and administrator, Ms Bilqis Audu is a regular speaker at local and international mining events with special interest in fair gender representation in mining ecosystem.

We have no doubt that her alternate representation of Miners Association of Nigeria in Multi Stakeholders Group of NEITI and participation in the global body's engagements, will enrich conversations that lead to balanced gender resolutions.

Our best regards always.

Engr. Niran Ajibade,
Secretary,
Board of Trustees,

Alh Sani Shehu
Chairman,
Board of Trustees,
