

NEITI/TECH/054/VoLX/311

30th November 2023

The Managing Director,
Chevron Nigeria Limited,
No. 2 Chevron Drive Lekki Peninsula,
Lagos, Nigeria.

RE: NOTIFICATION OF COMPLIANCE WITH NIGERIA EXTRACTIVE INDUSTRIES
TRANSPARENCY INITIATIVE (NEITI) ACT 2007.

Your letter with reference no: NMA-ADM-CNL-GVT-LEK-08840L dated on the 6th
October 2023 refers.

Please kindly accept our sincere apologies for not responding to the above letter in due
time.

I write to welcome you finally into the global family of the Extractive Industry
Transparency Initiative (EITI). Nigeria Extractive Industries Transparency (NEITI) is
pleased and encouraged of your voluntary decision to deepen your involvement in the
EITI from a supporting company to a participating company at the EITI global level.

We note particularly with delight the re-affirmation of your commitment to continue to
work with NEITI more closely at the national level here in Nigeria.

The decision by Chevron Nigeria Limited as operators of Nigerian National Petroleum
Company Limited (NNPCL)/CNL Joint venture and other investments is a fundamental
positive development in NEITI engagement with covered entities in Nigeria.

On the basis of this development, NEITI would be delighted to pay a courtesy visit to your
management at the highest level in Nigeria. The visit is important to discuss areas of
mutual co-operation with Chevron Nigeria Limited in recognition of your new status
under the EITI. While expecting your positive response, accept our hearty
congratulations on behalf of myself, management and staff.

Please accept the assurance of my best wishes and warm personal regards,

Orji Oghonnaya-Orji: PhD
Executive Secretary/CEO
