I am pleased to inform you that NEITI is currently compiling the Annual Progress Report on key reform initiatives, activities, achievements and impacts recorded in the Oil, Gas and Mining sector in 2023.

The report to be published by NEITI on behalf of Nigeria is expected to contain and reflect all major activities and achievements recorded by relevant government agencies, companies and civil society organizations working in the Nigerian Extractive Sector.

May I therefore request that you please direct relevant departments or officers in your organization to provide to NEITI the achievements recorded during this period for inclusion into the Annual Progress Report,

which is expected to be shared widely to the international community. This publication is a key requirement of the EITI being implemented in 57 natural resource countries across the globe.

Please find attached a reporting template to guide your submission which should reach NEITI on or before **Friday 28th February 2025**.

If you require any further clarifications, kindly contact: **Kazeem Lameed at 08037878134, klameed@neiti.gov.ng; and Olubukola moronkola at 08105019025, omoronkola@neiti.gov.ng.**
